Hello Stephen,

I did an internet search on the Lane Plating meeting next week and found information about the public meeting posted on the DSA (Democratic Socialists of America) North Texas and NTX DSA Ecosocialist Working Group political organization's Facebook page and website-see below:

<https://dsantx.org/facebook-event/epa-superfund-community-meeting-lane-plating-company/>

It looks like this group is conducting several canvassing events in the local neighborhood around the site leading up to the meeting to increase community awareness on the meeting next week. I wanted to make sure you were aware of this as it could increase attendance size.

Thanks,
